Upcoming Events

Important Note: Even though a turning challenge is announced for a meeting, this does not mean that other items can't be brought for the show & tell. Feel free to bring in what you've created and don't feel you have to be a master turner to show off your work.

November – Tuesday, November 1. Alan Lacer will be demonstrating skew chisel techniques. Turning challenge: cabriolet or 2-axis legs.

December – Tuesday, December 6. Annual FRW Holiday Party – starts at 6:30 pm. No turning challenge or Show & Tell. ❖

News

Alan Lacer Class

Alan Lacer, our November demonstrator, will be giving classes at Rockler on Wed. and Thurs., November 2 and 3. Fee will be \$200-250 for both days, depending on the number who sign up. Mr. Lacer will be teaching advanced skew chisel techniques and end-grain turning. Check out Alan's work at www.alanlacer.com. Contact Any Zartman if you are interested, at phone: 303-859-0724 or email: AWZartman@comcast.net.

Woodworking Show

The Woodworking Show is scheduled for Nov. 18 thru 20 at the Denver Merchandise Mart (800-289-6278). Marty Christensen will be organizing the FRW booth. He will have a sign-up sheet next month for volunteers to man the booth (min. 2-hour commitment). Marty needs volunteers for Friday 4:00-7:00pm, Saturday 2:00-4:00 and 4:00-6:00, and all day Sunday. Volunteers will get free admission to the show. We will set up at least 2 lathes and turn for the customers of the show. This is a major recruiting opportunity for our club. Please contact Marty at the next meeting or call him at 303-252-7776.

Holiday Party

We have a location! Grace United Methodist Church on Yale Avenue has graciously allowed us to book

our Holiday Party at their facility. It's less than a mile from Rockler (go east on Yale from Colorado Blvd., and it's on the North side of the street).

The menu will follow last year's, with turkey, ham, mashed potatoes, gravy, rolls, and cranberry sauce. If you want to bring an additional side dish or a dessert (dessert, dessert, GO desserts!), bring them to the party.

Please RSVP with a count of attendees (member + guest) so that enough food can be prepared. You can call Bear or Alisa Limvere at 303-648-3414 or email Alisa at Limvere@fgn.net. We'll need a final count no later than Wednesday, November 30.

We still need a party organizer that can coordinate all the teams (auction, raffle, dinner, setup, and cleanup). There will be a sign-up sheet to the November meeting for volunteers to help with set-up, cooking and serving, and clean-up.

There will be no turning challenge or Show & Tell for the December meeting. However, we will be having an auction to raise money for FRW, so if you want to donate an item, bring it on the night of the party. We will also have a side table for a swap meet.

Every year it gets more and more fun, so come join us and celebrate!

Mentoring Program Volunteer Wanted

The mentoring program provides hands-on training at the Rockler facility and members' shops,

FRONT RANGE WOODTURNERS

allowing FRW members to learn new techniques, tools, and beginning turning. It's an excellent method to "get your feet dusty."

Due to time constraints, our previous volunteer is unable to support the mentoring program for our club until at least the end of the year. If you are interested in volunteering to hold mentoring sessions, please contact Ron Bentall at the next meeting.

Volunteers Needed

We need volunteers who can show up at 5:00 pm at Rockler before each meeting to brew coffee and setup. Please contact Ron Bentall or just appear. We'll put you to work.

Woodcraft Turning Demos

Pete Holtus does demos every Thursday, 6:30-8:30 pm at Woodcraft, 4403 Tamarac Parkway, Denver. Contact Pete at 303-364-5365 for more information.

Bulk Orders

As always, check with Dave Hawley at each meeting if you have placed an order with him or if you want to get in on one of the bulk orders that he organizes. You can also call him at 303-443-2332 if you have questions or orders.

All bulk orders depend on making minimum amounts to get the discounts. Again and as always, thanks, Dave, for working so hard to save us all some money.

Club Library

Suggested Items

Contact Jim Applegate for suggestions about materials (books, videos, DVDs) to be added to our club library. The club does have a budget to purchase library materials and look to you to tell us what you want.

Of course, if you want to make donations to the library, all donations are gratefully accepted.

Miscellaneous

Courtesy During Meetings

We have been requested to please stay seated and quiet during the meeting and demonstration as a courtesy to our demonstrators and fellow members. You feel the need for conversation during the meeting or demonstration, please feel free to step out into the Rockler store.

Also, we must make sure to return promptly after the break to make sure we don't lose time for our demonstrator.

Contacting the Editor

Due to the hundreds of spam emails that Alisa receives every day, she has requested that if you want to contact her via email, be sure to include "FRW" in the subject line. This will help her not miss your email or accidentally delete it when she is clearing the garbage from her inbox. Her email address is Limvere@fgn.net.

Problems Receiving Emailed Newsletter?

Unfortunately, many email providers are automatically filtering attachments or entire emails because of the proliferation of viruses and spam. If you have signed up for an emailed newsletter, but haven't been receiving it lately, try the following:

- Confirm that your email inbox isn't full. Many email providers will automatically deny emails without telling you if you've used up your space allotment.

FRONT RANGE WOODTURNERS

- Check with your email provider to see if they are filtering your email without you knowing.
- If your email provider allows you, add the following email addresses to your "Always Allow" or "Do Not Filter" list:

Limvere@fgn.net
alimvere@mxlogic.com
matotanka@yahoo.com

You may receive the newsletter from any of these addresses.

- Confirm with Alisa (newsletter editor) that your email address is correct.

It's worth setting up to receive the newsletter by email. It saves paper, postage, and you get to see the photos in full color.

If all else fails, you can tell Alisa to send you the newsletter in hardcopy via USPS.

Shop Tours

Phil Houck has the sign-up sheet for those interested in giving a tour or going on a tour. Just remember – no one expects a sparkling clean shop, so don't worry about putting it off because you don't have time to tidy up. ❖

Show and Tell

The turning challenge was spiral work in honor of Stuart Mortimer. There were several beautiful entries, but the newsletter editor (Alisa) was negligent in her duties and didn't note who made which piece. If you contact her at the November meeting, she will be happy to give you credit in next month's newsletter. Her sincerest apologies!

However, below are photos.

David Nittmann – His entry for "spiral work."

Hollow vessel turned in one piece and then inlaid with zippers (yes, real brass zippers).

Rockler

Patronizing their store is the best "thank you" we can give Rockler for their generosity in letting us use their facilities for our ever-growing membership. Keep in mind that they keep the register open late on meeting nights just for us. Just be sure to complete any purchases no later than the mid-meeting break

so these poor guys can start shutting down and go home.

As always – all FRW members get 10% off all items, except electrical or sale items, all the time. Just present your FRW membership card at time of purchase. (Note: This offer is only good at the Denver retail location, and is not valid for any other location or for Internet purchases.)

If you have suggestions for tools or materials that Rockler can carry, contact Rich Johnson, manager of the Denver store. Rockler web site: www.rockler.com.
