FRW Pete Holtus Educational Opportunity Grant

Application Form

Return completed application to the current FRW PHEOG Chairperson

The FRW Educational Opportunity Grant Program was officially named the "Pete Holtus EOG" Program in honor of Pete Holtus, a longtime member of FRW who passed away on April 3, 2011, from pancreatic cancer. Pete was arguably the most important and giving member of the FRW since its inception. Pete helped educate hundreds of members of not only the FRW, but also various clubs throughout the Rocky Mountain Region. He gave the very first demo at a regular FRW meeting, for years gave free demos almost every Thursday evening at a local wood store, and probably performed between 500 and 1000 demos on woodturning over his life. His giving nature, his infectious smile, his woodturning skills – will be sorely missed. But, through our PHEOG efforts, he will never be forgotten.

Applicant Agreement:

By submitting this application, a successful recipient of a PHEOG award agrees to the following conditions:

1. Grant monies are awarded only after a receipt is presented to the FRW Treasurer, or a bill is presented for a class, symposium, or workshop. The Treasurer will pay these fees. No grant money will be given until a bill is presented or a receipt for reimbursement is requested. Grant money will not be automatically sent to the grantee at the time of the award.

2. The grant recipient has up to one calendar year from the date of the award to use it for the described purpose. Under extraordinary circumstances the member may apply to the current PHEOG committee (even if it is the next calendar year) for a 6 month extension. It is up to that committee whether to approve the extension. If denied, the grant shall be forfeited and all awarded monies shall be returned to the Front Range Woodturners.

3. The return benefit to the woodturning community, as described in the application question number 3, must be completed no later than 1 year from the grant award. A recipient may apply to the PHEOG committee in writing for an extension for good reason.
